***Sponsorship Terms, Use of Funds, and Tax Information**

ESTIMATED COSTS / USE OF FUNDS. Sponsorship and underwriting levels are based on good-faith budget estimates for the Event and may be fulfilled through a combination of direct cash expenses and in-kind support, discounts, or donated services. If actual costs for any underwritten element are less than estimated, Voices for CASA Children will apply the remaining funds to other Event-related expenses and/or to mission-aligned program support, at the organization's discretion. Unless a sponsor's restriction is expressly stated in writing at the time the contribution is made and accepted by Voices for CASA Children, all sponsorship and underwriting contributions will be treated as unrestricted support for the Event and the organization's charitable mission.

TAX DEDUCTIBILITY / FAIR MARKET VALUE. Voices for CASA Children is a 501(c)(3) nonprofit organization. Contributions are tax-deductible to the extent permitted by law. If goods or services are provided in exchange for a contribution (including, without limitation, Event tickets, meals, or other benefits), Voices for CASA Children will provide a good-faith estimate of the fair market value ("FMV") of such goods or services. The tax-deductible portion of the contribution is limited to the amount by which the contribution exceeds the FMV of goods or services received.

ACKNOWLEDGMENT. Voices for CASA Children will provide a written acknowledgment/receipt for sponsorship and underwriting contributions consistent with applicable IRS substantiation and disclosure requirements.
